FEDERAL QUESTION

13th Amendment, Involuntary Servitude

The Cause of Actions on 04/13/2026; 4/16/2026; 05/16/2026, 04/03/2024, 07/01/2025 are only documented incidents, it occurs more frequent, on a daily basis like a program by state actors on a payroll. The Plaintiff compares his torture, and that of family, the alleged abuse of directed energy as a type of involuntary servitude to the weapons hegemony where there ' s no recourse in stopping the infliction of weapons or punishment. No grievance or procedural due process if it involves watch-listing - a violation of the Fifth Amendment and a violation of the 13th Amendment prohibitions against slavery. Using a pain weapon as a type of flogging can be seen as a barbaric practice (corporal punishment) associated with the treatment of slaves who ' s freedom was infringed upon by cruel force (8th or 14th Amendment) upon the benefit of others - much like those getting paid, on a payroll to target the plaintiff part of a K-shaped economy, government grifting class warfare against the poor and homeless that lack equal protection (14th Amendment) like Palantir ' s Gotham that discriminates against poor (Ninth Amendment) for lower crime stats. Exceptions to the 13th Amendment like Section 1 punishment for crime does not apply to Plaintiff since no crime was broken - so techno-weapons servitude by technocrats in government is a clear violation of the 13th Amendment. Government does not own citizens and can do what they want against them just because they hold a security clearance, immunity, technology superiority, or weapons superiority, conjure up threats like UAP " anomalous " to gaslight the public. The Decleration of Independence states in God, not government is God and can treat or abuse citizens like techno-slaves for security, control, and spending. Technology can be dehumanizing just like slavery. The plaintiff alleges technocrats (technology fascist) have prioritized technology " innovation " over human rights to the point of human enslavement. 13 Admt. s.1, " involuntary servitude. "
